CX-Energy

, a division of Co-eXprise, offers solutions for oil and gas rights leasing. We form and organize landowner groups (including private land owners, businesses, municipalities, cities, counties, states, and schools) and then connect them with oil and gas companies interested in leasing their oil and gas rights. Our mission is to achieve the best value for all involved in the transaction.

To CX-Energy, best value is defined as more than just the up-front bonus payment (dollars per acre) and ongoing production royalties. Best value also includes mutually acceptable lease terms which address responsible surface activity and land use, water and environmental protections; clearly defined production clauses; and other provisions (including legal liability, hold harmless, tax consequences, and dispute resolution)—which provides the oil and gas companies with the ability to effectively operate the leasehold.

Drive the Best Value with the CX-Energy Process

CX-Energy will lay out a step-by-step approach that is totally clear and verifiable. Our process is tailored to your specific requirements – so you achieve the highest lease value 100 percent of the time.

We start by assessing your situation and understanding the details of your leasing opportunity. We then work with more than 150 oil and gas companies on your behalf to introduce them to available land. We also create a custom web site on our lease platform for your project that contains an interactive GIS mapping module and all relevant documentation needed to successfully lease your oil and gas rights.

Next, CX-Energy vets out any non-competitive oil and gas companies and qualifies the remaining companies that will eventually compete for your lease agreement. We then facilitate lease negotiations and develop an optimal leasing strategy. In the final steps CX-Energy negotiates full lease terms, bonus payments and royalty percentage and assists with the lease execution and implementation to deliver the best possible lease value.

“I wasn’t happy with the standard leases which were being presented to me. CX-Energy did what they said they were going to do. They focused on getting us a good lease with the terms we wanted. I would work with them again, and have referred them to friends and neighbors.”

We increase competition and use our next-generation oil and gas leasing technology to provide visibility and increase efficiency to all interested companies and owner stakeholders. This technology features project and documentation management as well as GIS mapping capabilities.

CX-Energy mitigates risk for both the owners and oil and gas companies by publishing all relevant lease information, capturing and organizing all questions and answers, as well as facilitating lease negotiations and assisting with contract execution.

CX-Energy Oil and Gas Leasing Solutions have no hidden brokerage fees and no up-front costs. Our nominal fee is transparent to the owner and earned only after a lease agreement is awarded. Best of all, the fee is paid directly by the awarded oil and gas company, so you don’t have to pay CX-Energy separately.

Landowner MarketPlace Agreement

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the parties agree as follows:

The purpose of these terms and conditions (the "MarketPlace Agreement" or "Agreement") is to set forth the activities that Co-eXprise, Inc. ("CX-Energy"), and Holsinger, Clark & Armstrong, P.C. ("HCA") (collectively, "Representatives") will pursue to administrate and facilitate the leasing of the oil and gas located in and under the parcels of land (the "Parcels"), defined below, to prospective Bidders/Lessees on behalf of the owner of the oil, gas, associated hydrocarbons and/or mineral rights in the Parcels ("Owner") and to set forth the responsibilities and liability of Representatives and Owner.

1. CX-Energy agrees:

- a) To coordinate price bids from oil and gas drillers and other interested lessees (e.g., gas companies, financial institutions, and others that may be interested in obtaining mineral rights in the Parcels "Bidders") in an effort to secure an acceptable lease price and terms for the Parcels that are eligible for oil & gas/mineral rights-related property leases, including but not limited to leases that enable a lessee to access certain oil & natural gas deposits contained in the Utica and/or Marcellus Shale formation on parcels of real property included in Exhibit A, identified by parcel tax numbers, parcel numbers and/or lot & block numbers, as available; and
- b) To present opportunities to enter into an oil and gas lease to Owner from Bidders at such time as CX-Energy receives written notice of said opportunities from interested Bidders.
- c) To present Owner with an oil and gas lease form, addendum, memorandum of lease, payment order, and other pertinent lease documentation, (the "Lease Documents") and to facilitate the submission of said Lease Documents to prospective Bidders.

2. Holsinger, Clark & Armstrong, P.C. agrees:

- a) To draft and prepare applicable Lease Documents on Owner's behalf, and if necessary and applicable, to draft additional lease language on Owner's behalf, and to communicate with Bidder/Lessee on Owner's behalf concerning title and clerical issues in regard to said Lease Documents post-signing.
- b) Upon Owner's request, to consult with Owner and explain legal terms and issues contained in and related to the Lease Documents. ALL INFORMATION PRESENTED AT SEMINARS IS GENERAL LEGAL INFORMATION AND IS NOT LEGAL ADVICE. Owner is encouraged to consult with HCA or Owner's independent counsel concerning specific legal advice. HCA's representation and services are *limited* legal services, meaning that the services are limited to those specified above and, without limitation; do not include title examination or curative title services. For additional legal services beyond the scope of this Agreement, Owner will be required to sign an additional engagement letter with HCA, or to hire another attorney. OWNER MAY – AND IS ENCOURAGED TO - HIRE AN INDEPENDENT ATTORNEY TO REVIEW ALL LEASE DOCUMENTS AND GIVE OWNER ADDITIONAL ADVICE.

3. Owner acknowledges and agrees:

- a) that Representatives have, and Owner hereby grants, the sole and exclusive authority and right, on behalf of Owner, to solicit price bids from all Bidders, but Representatives are not in any way responsible for the obligations of Bidders regarding the Lease Agreements themselves;
- b) to refrain from negotiating with Bidders that are not communicating directly with Representatives ("Non-Participating Bidders"); to promptly forward to Representatives all bid proposals from Non-Participating Bidders, and instruct Non-Participating Bidders that Representatives have been exclusively engaged to solicit bids on the Parcels;
- c) to abide by the terms and conditions of any Lease Document executed by Owner;
- d) to pay the "Transaction Fee" listed below to Representatives upon successful signing of a Lease Agreement, and Bonus Payment paid to Owner by the Bidder. The Transaction Fee includes fees for legal services which shall be paid to HCA, and fees for administrative services which shall be paid to CX-Energy.

4. Transaction Fee. For the following Parcels identified in Exhibit A, Owner shall pay a "Transaction Fee," through the Lease Agreement with the successful Bidder, in an amount equal to six percent (6%) of the Bonus Payment per net acre, multiplied by each net acre owned that is determined to have "Marketable Title" by the Bidder, meaning that the Lease Agreement Bonus Payment is paid to Owner upon Bidder's completion of due diligence and determination that Owner's title legally allows for oil and gas development. For any acreage that has "Unmarketable" oil and gas title, no Transaction Fee is due. The payment of the Transaction Fee may be a written obligation imposed on the successful Bidder by Representatives, or paid on behalf of Owner by Bidder pursuant to terms of the Lease Agreement. In the event that while this Agreement is in effect, Owner breaches this Agreement and enters a Lease Agreement on any of the Parcels listed in Exhibit A outside of Representatives' process and efforts, Owner will be responsible to pay the Transaction Fee pertaining to such Parcel.

5. Term. This Agreement shall be in effect and exclusive for a period of six (6) months ("Exclusive Period") beginning on the date the Agreement is executed, and shall renew automatically for additional six (6) month periods unless the other party is notified in writing prior to the termination of the current Exclusive Period. Unless this Agreement is terminated for non-performance, Representatives will be entitled to collect the Transaction Fee during the Exclusive Period of this contract, and during the six (6) month period following the termination of the Exclusive Period ("Protection Period"), should a lease be executed with an entity or affiliate of an entity that Representatives have identified as having interest in the opportunity and/or that Representatives have introduced to the opportunity to lease Owner's oil and gas rights. The Transaction Fee is considered earned on any Lease Agreement signed during the Exclusive Period and/or Protection Period, as it will be assumed that any Lease Agreement signed during this time period was secured because of Representatives' services. In the event of any material breach of this Agreement, the non-breaching party may terminate this Agreement prior to the end of the applicable term by giving thirty (30) days prior written notice to the breaching party; provided however, that this Agreement shall not terminate if the breaching party cures the breach prior to the expiration of such thirty (30) day period.

6. General

- a) **Confidentiality, Intellectual Property and Use of Data.** Except as otherwise provided, each party shall use the confidential information of the other parties only in furtherance of this MarketPlace Agreement and shall not transfer or otherwise disclose the confidential information of the other parties to any third party. This MarketPlace Agreement grants no rights whatsoever to Owner in the patents, copyrights, trade secrets, trademarks, service marks or other Intellectual Property rights of CX-Energy or HCA whether created prior to, during or after the performance of this MarketPlace Agreement. Notwithstanding anything to the contrary herein, Representatives shall have the right to: (i) use and disclose all data generated in connection with this Agreement to create a database that is accessible by prospective and current customers, to determine general price trends in various supply industries, to create predictive analyses useful for estimating likely market prices and for other general business purposes, including, without limitation, publication of results and named case studies, and (ii) list or otherwise identify Owner as a Owner in customer lists and other publication material.
- b) **Disclaimer of Warranties and Limitation of Liability.** Except for any express warranties made herein, Representatives make no other warranties, express or implied, concerning the subject matter of this Agreement, including without limitation, any implied warranties of merchantability, noninfringement or fitness for a particular purpose. The value of mineral and oil and gas rights is speculative in nature and has a history of fluctuation due to the price of oil and natural gas and numerous other factors. Any opinion on the fairness of monetary offers is only an opinion, and Representatives make no predictions, guarantees or warranties that bonus payments, royalty payments, and/or the value of oil and gas interests in the future will be any greater or less than what they are now. Quite simply, Representatives cannot predict the future of the oil and natural gas leasing and purchasing markets. Additionally, Representatives make no guarantee, warranty, or determination on the effect that an oil and gas Lease Agreement will have on the fair market value of the property in the future, and/or Owner's ability to sell or refinance the property. Owner agrees that it releases and shall indemnify and hold harmless Representatives for any losses, expenses or costs, including reasonable attorneys' fees, arising or incurred in connection with any Lease Agreement, or any other agreement entered into pursuant to this Agreement whether in contract, tort, negligence or otherwise. In no event shall Representatives' liability in connection with this Agreement exceed the Transaction Fees received by Representatives pursuant to this Agreement. In no event shall Representatives be liable for any special, incidental, indirect or consequential damages whatsoever (including but not limited to lost profits or savings) arising out of or in any way related to the Agreement regardless of whether Representatives has been advised of the possibility of such damages.
- c) **Complete Understanding; Modification; Nonassignability and Binding Effect.** This Agreement constitutes the complete and exclusive understanding and agreement of the parties and supersedes all prior understandings and agreements, whether written or oral, with respect to the subject matter hereof. Any waiver, modification or amendment of any provision of this Agreement will be effective only if in writing and signed by both parties hereto. Neither party shall assign this Agreement, in whole or in part, to any third party without the prior written consent of the other party; provided, however, that either party may, without the other party's prior written consent, assign this Agreement to a successor in interest to the entire business or assets of the assigning party or to a majority-owned subsidiary. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their permitted successors and assigns.
- d) **Governing Law; Notices; Counterparts.** This Agreement and any claims, whether in contract, tort or otherwise, arising from this Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Pennsylvania, without giving effect to principles of conflicts of law. The parties agree that the state and federal courts sitting in Pittsburgh, Pennsylvania, USA, shall have proper and exclusive jurisdiction and venue for any proceedings arising from this Agreement. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, then the remaining provisions of this Agreement will remain in full force and effect. This Agreement may be executed in any number of copies, each of which will be deemed an original and all of which together will constitute one and the same instrument. All notices, legal service, requests or other communications required hereunder will be in writing and will be deemed to have been given or made if delivered personally or by confirmed courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, to the parties at the principal addresses set forth above, or to such other address(es) as may be specified in writing by either of the parties to the other in accordance with this Section.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have executed this MarketPlace Agreement as of the Effective Date.
